You're ready to make a real difference in the workplace and the world—without interrupting your career. The Wake Forest Evening MBA program is one of the best in the nation for working professionals like you.

You can advance your career without breaking your stride. Our Evening MBA graduates turn their degrees into immediate professional and financial success, advancing within their current organizations or finding new careers with leading companies.
AN MBA THAT WON’T INTERRUPT YOUR CAREER

The Evening MBA program at Wake Forest University School of Business is designed to enable you to develop the skills necessary to advance your career without pausing your professional responsibilities. As a working professional, you balance the demands of your current job with coursework that will help you to refine your skills and expand your knowledge. In the two-year Evening MBA program, you’ll gain a command of finance, operations, marketing, entrepreneurship and information technology. By focusing on developing your ability to approach challenges from a wide range of perspectives, you’ll hone your leadership skills and amplify your career trajectory.

The two-year Evening MBA program gives you a strategic, global perspective on business, honing your ability to think critically and approach problems with foresight. As you’re immersed in the Wake Forest culture, you’ll have the opportunity to gain a diverse set of perspectives from working alongside our talented students from a wide range of industries and backgrounds. Classes are held on Tuesday and Thursday evenings, allowing you to maintain your current responsibilities while expanding your business acumen. As you gain a comprehensive understanding of finance, operations, marketing and entrepreneurship, you’ll emerge with a unique combination of skills, both technical and interpersonal, that will enable you to capture new opportunities and solve complex business challenges.

The Master of Business Administration Evening MBA program will strengthen your ability to think strategically while honing your ability to manage projects and procedures. As you work with your classmates from diverse backgrounds, you’ll develop a unique set of skills that will be valued by employers across a wide range of industries. Throughout your studies, you’ll gain knowledge and practical skills that will propel you to the next level of your career. As you advance your business acumen, you’ll develop the skills and confidence needed to lead, innovate and make a meaningful impact.

Our students don’t enroll. They commit.

Our students work hard to advance their careers. They commit to their education. They commit to the success of their classmates. They commit to their future. Our students bring their work to class. They bring their class to work. They make the most of their nights. They make the most of their days. They bring the value of their degrees to the workplace. They bring the workplace to their education. Our students don’t just bring work to class. They bring class to work. They work hard to advance their careers. They commit to their education and their future. They commit to their success.
The Evening MBA program is an accelerated, part-time degree that begins the second Sunday in May. Classes are taught by full-time, experienced faculty who bring together a diverse group of professionals from large and small organizations in the profit and nonprofit sectors. The program is ideal for individuals who want to deepen their business knowledge, polish their reasoning skills and accelerate their career progress.
