The Corporate Fellowship Program was developed to further this goal for our Master of Arts in Management (MA) classes in an effort to reward high-achieving students from underrepresented groups.* Fellows receive full tuition plus a stipend to help cover living expenses. They also receive personal mentoring from a high-level executive at a major corporation.

**Tuition is just the beginning**

The Corporate Fellowship is much more than a scholarship. It’s about making connections—between people and interests, between textbook knowledge and real-world experience.

Fellows are assigned a high-level executive mentor at a major sponsor company who will guide them through the ins and outs of their organization. By establishing a mentor relationship and gaining an understanding of their company operations, Fellows are uniquely poised to make immediate and profound contributions to their sponsor companies, should they be recruited to work there upon graduation.

---

*Corporate Fellowships are limited to U.S. citizens. Decisions regarding the Corporate Fellowship award will be made by the Admissions Committee on a rolling basis. Corporate Fellowships are highly competitive.

*African American, Native American and Hispanic
The ideal corporate fellowship candidate

Wake Forest MA Corporate Fellows are high-performing students who possess a drive to excel both inside and outside the classroom. They hail from a diverse range of institutions and represent a variety of undergraduate majors from liberal arts to sciences and engineering, but they all share similar core pursuits:

- Academic excellence
- Leadership experience
- Commitment to Pro Humanitate
- Cultural Awareness
- Ethical and moral character

Benefits

- Full-tuition scholarship award to the MA program
- A stipend to help cover living expenses while in the program
- Personal mentoring from a high-level executive at a major sponsor company
For enrollment in the upcoming Master of Arts in Management (MA) class, candidates must meet the following criteria:

• Earned or pursuing a bachelor’s degree from an accredited college or university

• Majored in the liberal arts, sciences, or engineering disciplines. Business or business-related majors are not eligible; business minors are eligible.

• Graduated from college and have limited or no full-time post-graduate work experience. On case-by-case basis, we will consider candidates who graduated more than two years ago, and have limited or no work experience. To be considered for this exception, please contact us for a consultation regarding program eligibility.

• To be considered for a Corporate Fellowship award, candidates must be a U.S. citizen from one of the following underrepresented groups: African American, Native American or Hispanic.
