The Wake Forest University School of Business offers the #1 ranked program of its kind in North Carolina for working professionals.

With campuses in Winston-Salem and Charlotte, this two-year program is designed to work with your busy schedule, offering Evening and Saturday options with classes starting in August or January.
Highly ranked, widely respected

The Wake Forest University School of Business is consistently recognized for its rigor and innovation. Leading rankings organizations place Wake Forest among the world’s best business schools and the working professional MBA programs among the top part-time MBA programs in the nation.

MAKE A MOVE
KEEP YOUR MOMENTUM

The Wake Forest MBA program is one of the best in the nation for working professionals. Graduates are rewarded with professional and financial success, using their degrees to advance within their current organizations or venture into new careers, often while still in the program.

With a focus on strategic and global thinking, students acquire broad-based leadership and management skills, working with study teams that bring a diversity of backgrounds, interests and experiences. Each cohort progresses together, learning from one another and forging lifelong personal bonds and invaluable business connections.

**THE WAKE FOREST DIFFERENCE**

**Developing the Whole Person**
At the School of Business, our mission is to shape the whole person. We develop passionate, ethical business leaders who get results with integrity, while committing themselves to higher causes.

**Meaningful Results**
Our commitment to competency and character leads to proven results for graduates, who enjoy the prestige of completing the rigors of our top-ranked programs, and the lifelong advantages of a robust alumni network.

**Continuous Innovation**
Because innovation drives business, we deliver innovation in business education. The School of Business actively listens to the voice of the market to transform the way we develop business leaders.
We bring together driven, committed professionals with diverse backgrounds to heighten the learning experience. Our students come from large and small organizations in the profit and nonprofit sectors, bringing with them a desire to deepen their business knowledge, polish their networking skills and amplify their career trajectories.

Courses are taught by outstanding educators and researchers who have led and launched successful companies and entrepreneurial ventures. A vital aspect of the Wake Forest culture is the interaction between our exceptional professors and engaged, inspired students.

Coursework, enrichment activities and other learning opportunities build a unique, practical management perspective. Electives expand our core curriculum to your specific goals and strengths. Bring challenges from your workplace into the classroom to deepen discussions—and immediately apply concepts and techniques you’re learning in class to benefit your organization.
