

Event Planning Guide: School of Business Faculty & Staff

STEP 1

Review the Conflict Calendar for possible event conflicts

<https://my.business.wfu.edu/conflictcalendar>

On your proposed date and time, ensure there are no conflicts that could affect attendance at your event and other events already on the calendar, such as:

a. University event conflicts

- All university events are **Gold**
- Take note of important University-wide events. Avoid scheduling your event during University-wide events (Ex: Hit the Bricks, Lovefeast, Lighting of the Quad, etc.)

b. School of Business conflicts

- All School of Business events are highlighted **Yellow**
- All School-wide events are **Red**. Avoid scheduling your event during School-wide events (Ex: Marketing Summit, Retail Innovation Challenge, Broyhill Lecture Series, etc.)
- Internal events are marked as "INTERNAL: [title of event]." Ex: Faculty Meeting, Staff Meeting, etc.

*Consider looking at DeaconSpace under Browse Events for possible conflicts with academic classes.
