Welcome to the MSA Class of 2017

On behalf of the staff and faculty at Wake Forest University School of Business, we are thrilled that you will join us in the upcoming academic year. Now that you've decided to attend Wake Forest, let's talk about next steps. Please be sure to check out the Admitted Student Website by clicking HERE. Also, keep an eye out for this weekly student newsletter. The newsletter will arrive in your inbox each Thursday, providing you with any updates for the week ahead.

Market Readiness and Employment Survey

If you have not done so already, please take a moment to fill out this survey by clicking HERE. This is also necessary in order to register for Meet the Firms.

Housing Highlight

We understand that most of you will begin to select housing over the next few months. Some of you may be interested in finding a roommate. HERE you will find a Google Doc that will allow you to express interest in a
roommate and housing preferences. While we will not be able to match you to a roommate, we will be able to provide means for you to do so yourself.

Each week we will highlight a student housing option in our area. This week, we will highlight -

Crowne Polo Apartments

Crowne Polo apartments are conveniently located about 10 minutes from campus. This is an unfurnished, pet friendly option offering 1-3 bedroom apartments. The complex is secured with a control access entry gate. The Gold Line shuttle offers service to campus however, there is also a walking trail. If you would like to learn more about this option click HERE.

Student Spotlight

Alzebeth Roman

Undergraduate University: North Carolina State University
Undergraduate Major: Accounting
Hometown: Tampa, FL
Fun Facts: Alzebeth is fluent in sign language, loves the beach, and obsesses over furry animals (mostly her dog).
Career Plans: Alzebeth will begin full time as a Tax Associate with EY in Charlotte.
Advice to Future Students: Wake is a program that is very challenging both personally and academically so it is so important to be open to new experiences. Before coming to Wake, I never would reach out to professors to explain topics or go over projects, but that's a part of the culture here and developing those kinds of relationships with my professors has made my time at Wake so rewarding! I definitely encourage future students to reach out to professors because they will become some of the best mentors you could ever have.

What's Going on in Winston-Salem

This weekend, Old Salem will host an Easter Festival complete with an Easter Egg Hunt, dyeing demonstration and a coffee making demonstration.

Baseball season is beginning to pick up. The Wake Forest Baseball team faces Duke this Saturday at the David F Couch, Gene Hooks Field.
Local Business Highlight

Located in the heart of downtown, **Quanto Basta: Italian Eatery & Wine Bar** reveals the rich, comforting flavors of “cucina Italiana,” as remembered and refashioned by Chef/Owner Timothy Grandinetti. While the restaurant has only been around for just over a year, it is already a local favorite.
